Dear Henry:

On the occasion of your retirement after 33 years of service to the Agency, I want to express my appreciation for the contributions you have made and to wish you all the best in the future.

The broad range of Chinese language skills and area knowledge that you applied so effectively to assignments both overseas and in FBIS Headquarters have contributed substantially to the Agency's mission. You leave behind not only a strong service record, but the respect and fond memories of your friends and colleagues.

We all wish you happiness and success in this new phase of your life.

Sincerely,
